Notice issued under Section 80 of Civil Procedure Code.

Whereas my client Mr.A.Pitchayya Nayudu, Proprietor Mica Mining Company, Bellary, instructs me that he applied for a prospecting license for Manganese Ore in the blocks Nos.2,3 and 4 of the Thummaraguddi Reserve situate in the Kudligi Taluk Bellary District, and that he was the holder of a valid certificate of approval and also complied with the procedure prescribed by the Rules, and he was also the first to file his - application to the Collector in the same matter; that the - Board of Revenue unauthorisedly and contrary to the Mining Rules directed that the prospecting license should be granted to - Messrs. Rustom & Reyner, though the latter had never sent in their application for the blocks in question; whereas also my client filed a revision petition before the Government against the said order of the Board of Revenue, who thereupon cancelled the orders of the Board of Revenue above referred to; that - thereupon Messrs. Rustom and Teynor filed a petition before the Government of India against the order of the Local Government and the Government of India cancelled the order of the Local - Government and confirmed the order of the Board of Revenue for the grant of the prospecting license to the said Messrs. Rustom and Reyner:

Please take notice that the order of the Board of - Revenue granting the prospecting license to the said Messrs. Rustom and Reyner was ultra vires and illegal and also the - orders of the Government of India confirming the same was also unauthorised and opposed to the Rules and that unless within 2

months from the date of the receipt of this notice, you cancel the said order of the Board of Revenue and of the Government of India, a suit will be filed for the cancellation of the said - order, in a civil court of Bellary and that you will be held - responsible for costs.

I request you will be good enough not to issue the - license pending the disposal of the suit.
